## Bardot Warm Dim Bath Bar

By PureEdge Lighting

### Description

The Bardot Warm Dim Vanity Bath Bar with 1 Inch Rectangle or 4 Inch Round Canopy features an opaque white diffuser lens that provides uniform light without hotspots. Available in various increments from 12 to 120 inches, a variety of finishes, 5 LED watts per foot, and Warm Dim 2700K (27D) or 3000K (30D) at 100 percent and dims to 2000K color temperature. Unlike standard LEDs, Warm Dim LEDs are designed to shift to a warmer color temperature as they are dimmed, replicating the effects of incandescent and halogen light sources. Fixture includes a 120 volt input, 24VDC Class 2 low voltage LED transformer that fits inside supplied Slim Profile Junction Box (IRE) which does not require a canopy or a 4 inch round canopy. Chrome finish available up to 84 inches. Finished sizes include end caps. Limited quantities available in White finish. Note: Product is built to order.
