## Chord Convoy Chandelier

By AlexAllen Studio

### Description

The Chord Convoy is a modern reinterpretation of a classic prevailing form, featuring a linear composition of two elegant semi-circular shapes reminiscent of the swag curves of a traditional chandelier. With an integrated light source, it offers a soft glow of light emphasized by its geometric composition. The universal driver allows for TRIAC/ELV or 0-10V dimming.

Shown in gunmetal black

### Specifications
