Senora Emanuela Canvas - Floor Model By Mineheart

Description

Designed by Angela Rossi, the Senora Emanuela offers a humorous and eccentric print that depicts a regal looking ostrich dressed in Elizabethan attire. NOTE: This canvas is stretched on to high quality wooden stretcher bars, and the printed ornate border gives the illusion of a frame. The frame illusion is not a real frame but printed design of a frame that looks like a wooden frame. NOTE: This is a discontinued model and limited to quantity on hand.

Shown in gold
