Bis Wall / Ceiling Light

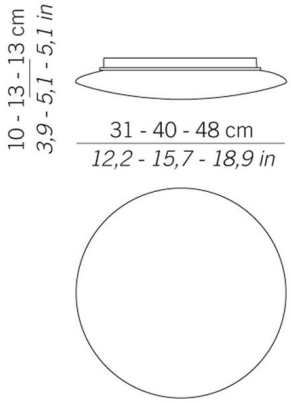

By Zafferano America

Description

The Bis Wall / Ceiling Light is a flush mount fixture that features satin finish triplex Opal blown glass diffusers and translucent polycarbonate bases. The translucent polycarbonate bases create a subtle surface halo. Twist-lock glass allows for easy toolless relamping. Triplex glass, a specialty of Ai Lati, is a three-ply cased Opal glass made up of a thin white layer that is inside two layers of clear glass. This helps optimize the lumen output and creates a uniform light. LED dimmable with LED compatible dimmer. Small size is ADA compliant. Note: Not all options are available.

Shown in transparent / opal
