

BRAND Visual Comfort Modern

DESCRIPTION

The Aerial 60 Chandelier features symmetrically spaced arched rods mounted on different planes to support a ring of slim cylindrical heads. The cylinders produce up and down illumination while concealing the integrated LED light sources. Includes four 12 inch and two 6 inch rigid stems. Can be installed on a sloped ceiling up to 35 degrees. Dimmable with most LED compatible electronic low voltage and TRIAC dimmers, sold separately.
