## Belterra Chandelier By Visual Comfort Modern

### Description

Drawing inspiration from the lotus flower, the Belterra Chandelier is made up of graceful stems and petal-shaped acrylic LED light guide panels. Hang this stunning modern piece as a standalone or install multiple to make an eye-catching statement. Dimmable with a TRIAC or ELV dimmer. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
