BRAND Visual Comfort Modern

DESCRIPTION

The Banda Bathroom Vanity Light offers modern appeal, featuring an acrylic light guide panel illuminated by integrated LEDs. Its clean aesthetic and modern finishes make it the perfect complement for contemporary bathrooms and vanity areas. The included universal driver is compatible with TRIAC, ELV and 0-10V dimmers. The Natural Brass is a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
