Armstrong Ceiling Fan with Light

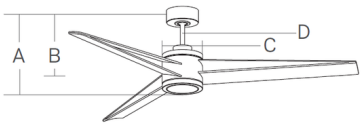

By Visual Comfort Fan

Description

With a unique double-blade design that sets it apart from others, the Armstrong Ceiling Fan brings contemporary flair to your space. Its energy-efficient design includes a powerful yet quiet DC motor and integrated LED module that provides soft ambient lighting for indoor or covered outdoor settings. The included handheld remote control enables motor on/off, 6 speeds, forward/reverse, and light on/off and dimming. A finishing cap is included for installation without the light. Optional accessories are sold separately.
