Beam Table Lamp

By Muuto

Description

The Beam Lamp is a versatile table lamp with a modern expression and intuitive user-friendliness. With light omitted from both ends of a cylinder, the user can alter the brightness of light in each end through the turn of a playful dial. The Beam Lamp can be altered for any position with its rotational base and sleek body of anodized aluminum, whether it be as direct lighting or for an ambient glow. Available in Green, Black, Umber, or Brushed Aluminum.
