Flowerpot VP3 Table Lamp

By &Tradition

Description

The Flowerpot VP3 Table Lamp celebrates vintage style while expressing modern simplicity. Hemispheres crafted out of spun metal are arranged facing each other to form the shade, and the rounded profile is echoed at the base. With its wide selection of finishes, the Flowerpot can blend seamlessly into your space or add a bright dash of accent color. Use a pair as bedside table lamps, or place one in a conversation area to create a chic, inviting atmosphere.
