Cirrus T1 Warm Dim Suspension w/Remote/End Feed/SQ Canopy

By PureEdge Lighting

Description

The Cirrus Remote Power T1 Lens Warm Dim Linear Suspension with End Feed and Square Canopy is a linear LED fixture that offers direct light in a clean, contemporary style. Available in various increments from 36 to 240 inches with a 176 degree white diffused tubular lens, a variety of finishes, 4.4 LED watts per foot, and Warm Dim 2700K-2000K (27D) or 3000K-2000K (30D) color temperature. Unlike standard LEDs, Warm Dim LEDs are designed to shift to a warmer color temperature as they are dimmed, replicating the effects of incandescent and halogen light sources. Includes one square canopy and 12 foot adjustable coaxial cables. Additional aircraft cables included for support when fixture exceeds 72 inches. Product is built to order. Canopy mounts to a standard junction box either using the PS-60L-ELV-24VDC (50 Watt 24 Volt DC Power Supply) which fits inside junction box, or from a remote Universal (UNI) power supply feeding 24VDC up to 100 watts at a maximum of 40 feet away. Note: Required power supply, dimmer control, and optional mounting accessories, sold separately.

Specifications

COLOR N/A
BODY FINISH Satin Nickel
WATTAGE 15W
DIMMER Low Voltage Electronic
DIMENSIONS 36"L x 1.13"W x 1.75"H
INTEGRATED LED MODULE 3 x LED/5W/24V LED
