Constellation Aquarius Pendant

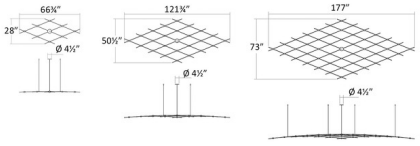

By Sonneman

Description

The Constellation Aquarius Pendant is a stunning two-dimensional grid of LED lights connected by metal rods. It can take on a natural curve from its weight, depending on the placement of the ceiling hangers, and overall height is adjustable. Hang the Aquarius as a single suspension or use multiple to form a dazzling blanket of stars over your space. Note: 2200K color temperature available in Espresso Black finish only. Three sizes are available: 66.75 inches wide (Aquarius Minor), 121.75 inches (Aquarius Medius) and 177 inches (Aquarius Major). The LED hubs are available with clear faceted acrylic lenses or white optical acrylic lenses. 120-277V: 0-10 dimming. 120V: ELV and TRIAC. Note: The included power supply (driver) must be installed in a remote location.
