Figura Cone Pendant

By Schneid

Description

The Figura Cone Pendant designed by Julia Jessen and Niklas Jessen, brings a playful use of lines and forms this simple design that exude gracefulness. With the fine metal tube, the line of the cable becomes a design element and part of the sculptural silhouette. The shade is inspired by the authentic aesthetics of classic industrial luminaires, having a minimalist, graphic expression. It is strangely beautiful in its interplay with fine surfaces and an subdued, timeless color palette. Available with UL listing or non-UL (CE).
