Vornado Mini Pendant

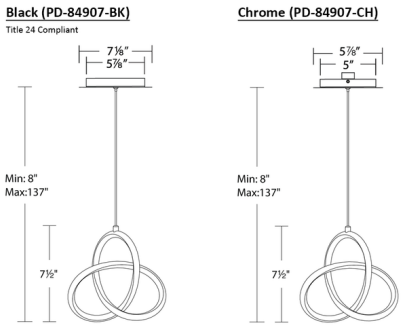

By WAC Lighting

Description

The Vornado Mini Pendant features a seamless swirl formed by a continuous loop of LED light. Its light is softened through a composite diffuser and provides omni-directional ambient lighting suitable for a range of spaces including living rooms, dining areas, and bedrooms. The sleek electrified cable eliminates the need for a clunky power wire, creating a chic floating effect. Dimmable with an ELV dimmer, sold separately. The Black finish fixture is Title 24 compliant, and the Chrome is not.

Shown in chrome / white
