Caseta Wireless In-Wall Neutral Wire Switch By Lutron

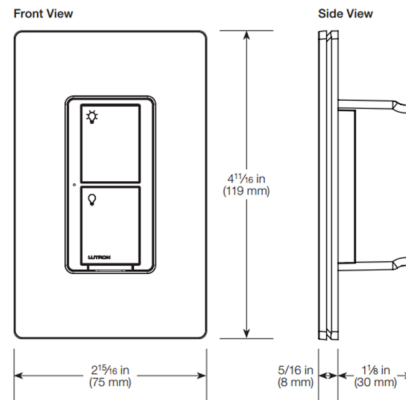

Description

The Caseta Wireless In-Wall Neutral-Wire 6 Amp Switch provides switching of multiple load types, and when paired with Pico remote controls allows wireless control from anywhere in the space. Uses radio frequency (RF) technology which enables wireless communication with Pico remote controls and the Lutron Smart Bridge and Smart Bridge Pro. Communicates with Lutron Radio Powr Savr T occupancy and vacancy sensors in a standalone application. Available in gloss finishes. Designer wall plate sold separately.
