Beam Swing Arm Wall Light

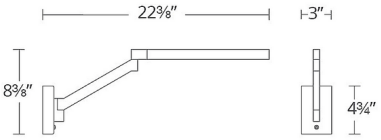

By Modern Forms

Description

The Beam Swing Arm Wall Light features minimalist design and cutting-edge LED technology in this update to the traditional task light. Adjustable features let you extend or collapse the light as needed, while fingertip-touch dimming makes choosing the light level for any task much easier. Head with 350 degree rotation and wall arm with 180 degree adjustability. Driver located in canopy. Dimmer switch on canopy. Note: Includes conversion plate to mount to standard 4 inch US junction box.

Shown in black
