Chronos Pendant

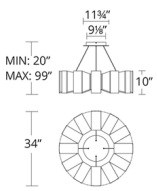

By Modern Forms

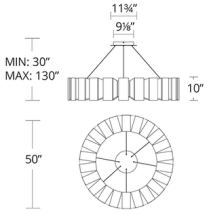

Description

Evoking the gears of a giant clock, the Chronos Pendant makes a dramatic statement ideal for high ceilings and large spaces. Its sculptural aluminum frame is lined with sanded acrylic diffusers that disperse ambient light into the room. Suspended and powered from ultra-thin aircraft cables, the Chronos floats effortlessly in the air as it illuminates dining rooms, foyers, and lounge areas. A universal driver is included and can be dimmed with a TRIAC, ELV, or 0-10V dimmer. Black finish fixtures are Title 24 compliant.
