Lightstick Bathroom Vanity Light

By Modern Forms

Description

Modern and ultra-minimal, the Lightstick Bathroom Vanity Light features a slender bar of light constructed from a co-extrusion of clear and white acrylic with an aluminum frame. The versatile design allows it to be placed horizontally or vertically or even at angles on walls and ceilings. Available in seven sizes. No transformer or driver required. Dimmable with a low voltage electronic dimmer, sold separately. Note: Conversion plate included for 4 inch junction box. Slim Junction Box(JB-0501) included for mounting fixture without canopy.

Shown in brushed aluminum / white
