Nodes Pendant

By Visual Comfort Studio

Description

The Nodes Pendant combines simple shapes to form a slim yet bold design. Light radiates from a white glass globe set below a steel disc, and the fixture can be styled with or without the disc. Hang a pendant individually for a minimal look, or cluster several to light a living room, kitchen, or dining area. Note: The 30 inch height pendant is not available in Polished Nickel or Matte White.

Shown in midnight black / milk
