Ling P1 V Pendant

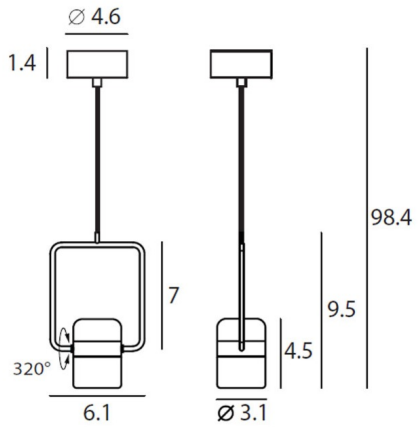

By Seed Design

Description

Ling P1 V Pendant is a harmonious mingle of minimalism and nostalgia, which is inspired by the patterned metal fence used around balconies and windows in early Taiwan. The Matte Black with Copper ring elegantly connects to the Opal glass. Through inner reflection of the embedded LED light source, this piece impressively creates double ambiance in one single fitting. Head rotates 320 degrees. Includes 7.7 feet of cable to customize length.
