Mumu Wall Sconce

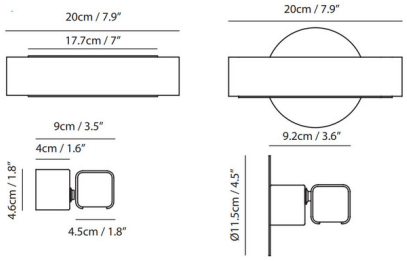

By Seed Design

Description

The Mumu Wall Light, designed by Dian, utilizes the coolness of metal married with a light source, and counter-balanced with the warmth of the wood on both ends of the pendant. Head can rotate 320 degrees for directional lighting. Available in Matte White with Beech and Matte Black with Walnut. Built-in non-dimmable LED driver. Requires on/off wall switch - no switch on fixture. Includes round junction box cover, not shown in all images. You can dry-wall over the exposed area or place the included round plate over the opening of your junction box.

Shown in matte black
