B-4 Table Lamp

By Gubi

Description

The B-4 Table Lamp, designed by Greta M. Grossman in 1945, offers a whimsical look that plays into her powerful signature style, reflecting her modernist design principles. It features playful angles with alternating colored geometric panels held into a stilt base, a nod to her houses perched up on stilts with cantilevered decks and walls of glass to overlook the Southern California shoreline. UL listed.

Shown in white / black
