

BRAND Adesso Corp.

DESCRIPTION

The Isaac AdessoCharge Table Lantern is made of a Walnut rubber wood base with a Clear rippled glass shade. Whether you choose to use a standard bulb or you choose a decorative vintage bulb, this artistic glass allows for a unique, beautiful glow. This decorative, functional lamp will be a great accent piece to your entryway, living space or bedside. A Qi wireless charging module is built in discreetly to the wooden base. Many smartphones have Qi technology built in, so just place your phone on the pad and it will charge right up. All AdessoCharge product is Qi certified by the Wireless Power Consortium. The product has been tested and verified to be safe and in compliance with the Qi standard. The AdessoCharge pad supports 5W charging on contact with the charging pad, which gets your phone from 0% to 100% in just 3-4 hours, depending on your phone model. A USB is located on the base and can charge up a second device simultaneously. Rotary switch on base. Includes a decorative 63 inch Black and White fabric covered cord. ETL listed.
