

BRAND Casablanca Fan

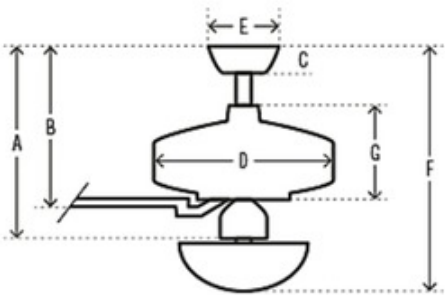

DESCRIPTION

Levitt Ceiling Fan with Light is a modern industrial style ceiling fan inspired by factory hood lighting with its curved bell shape glass. Rustic, handpainted real wood veneer blades compliment the nostalgic era of the fan body. Features a reversible 4-speed Direct Drive motor, 44 inch blade span, and 13 degree pitch. Available in Fresh White with reversible fresh white/rustic oak blades, or Brushed Nickel with reversible barnwood/rustic oak blades, all with cased White glass. Installer's Choice three-position mounting system allows for standard, low, or angled mounting. Remote control receiver pre-installed in the fan eliminates the need for additional wiring while eliminating the common dead switch and maintains functionality of both switches on a dual switch. Includes one 2 inch and one 4 inch downrod. Limited lifetime warranty. UL listed.
