Crestfield Ceiling Fan with Light

By Hunter Fan

Description

From the rustic finishes on the blades to the classic-style blade irons, subtle vintage and farmhouse details are seen throughout the Crestfield Ceiling Fan with Light. The fan adds charming character to your interior space, and reversible blades on the 52 inch fans offer flexibility for coordinating with room decor. Equipped with a WhisperWind motor and SureSpeed Guarantee, the Crestfield quietly delivers high-velocity airflow for faster cooling while the LED lights provide ambient illumination. A 3-speed pull chain controls the fan motor while another pull chain turns the light on or off. Fan direction can be reversed using a switch on the fan. Optional accessories are sold separately.
