Stoic Table Lamp

By Global Views

Description

Stoic Table Lamp is a sleek addition to any room in your home. The square column body tapers slightly and the shade is held in place by four exterior brass supports. The body is made of thick sheet iron which has been exposed to an acid bath creating the pitted texture. An Ombre Antique Brass finish further enhances the texture, while the matching finial and sharp corner rectangle hardback-laminate shade covered in White faux silk completes the look. On/off roller switch located on the lamp's cord. UL listed.

Shown in antique brass / white
