Sana Mini Pendant

By Capital Lighting

Description

The Sana Mini Pendant features a Grey Iron finish with steel wire that is intricately wound over the frame and speckled with Brass in a process known as braising, where real Brass specs are soldered onto steel. Light filters through the gaps resulting in a star studded effect. Hang multiple fixtures together to create a cluster over larger areas. Includes 1 foot chain and down-rods to customize length. Canopy: 5 inch diameter. UL listed.

Shown in grey iron
