Titanium 4in Retrofit Kit 10W 120V 4000K 90CRI - Overstock

By Green Creative

Description

The Titanium Series 4 Inch Downlight Retrofit Kit includes a 10 watt LED module in 4000K color temperature with 100 degree beam angle. Equivalent light output as a 65 watt incandescent source. This downlight is suitable for use in most standard 4 inch housings and includes an E26 medium base socket for direct connection to existing housing. UL listed. Energy Star. Title 24/JA8 compliant. Suitable for wet locations. 5 year warranty. Smooth dimming with most existing dimmers. See attached manufacturer reference for dimmer compatibility.
