Wandermere Chandelier

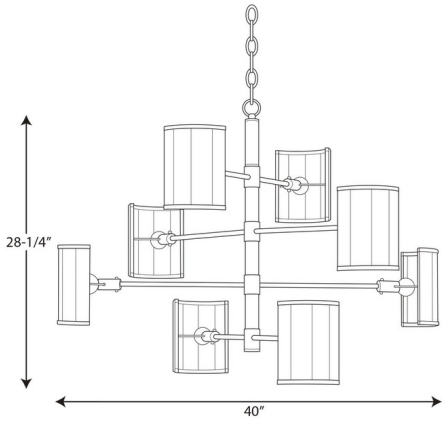

By Progress Lighting

Description

The Wandermere Chandelier has elegantly outstretched arms and the subtle grace of a mobile. The chandelier balances a modern symmetry of form and substance to redefine architectural spaces. Gently curving, two-tone metallic shades articulate outwards from a Brushed Brass center column. The Brushed Brass is complemented by a crisp White diffusers. The mid-century modern influence is perfectly on trend for contemporary, coastal, and modern settings. Perfectly scaled for larger spaces. cETLus listed.
