Edgefield Ceiling Fan By Progress Lighting

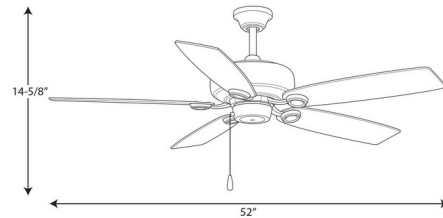

Description

The Edgefield Ceiling Fan is an energy efficient and light weight ceiling fan with five blades and a 52 inch span. Offering clean lines and a design that complements modern interiors with an updated and stylish shell-shaped blade holder. A three-speed pull chain and manual reverse switch come standard with this fan. Features a dual mount system allowing for use as a Semi-Flush or with a downrod, 6 inch downrod included. Available with a Brushed Nickel motor and American Walnut/Cherry reversible blades, White motor with White/Driftwood reversible blades, or a Bronze motor with Classic Walnut/Medium Cherry reversible blades. UL listed, Energy Star certified, Title 20 compliant.

Shown in brushed nickel / cherry / american walnut
