Braden Ceiling Fan with Light

By Progress Lighting

Description

The Braden Ceiling Fan with Light is a hugger style ceiling fan that features clean lines and complements modern interiors. With a shatterproof white opal glass shade that contains the integrated LED module offering form and function while maintaining energy and cost-saving benefits. A larger motor allows the braden to move more air than traditional hugger fans and the Braden fan comes with a full function remote. Available with a Polished Chrome motor and Black/American Walnut reversible blades, Bronze motor with Classic Walnut/Medium Cherry reversible blades, or a Brushed Nickel finish with Silver/American Walnut reversible blades. UL listed. Title 20 and Title 24 compliant.
