## Farris Ceiling Fan with Light By Progress Lighting

## Description

The Farris Ceiling Fan with Light features three solid wood carved blades and a 60 inch span giving it a sleek and modern design with an LED light kit that is removable providing the option to have it installed. Includes a full function remote and a dual mount canopy that accomodates flat or sloped ceilings. Available with an Oil Rubbed Bronze motor and Walnut blades, Graphite motor with Driftwood blades, or a Brushed Nickel motor with Grey Weathered Wood blades. UL listed. Title 20 and Title 24 compliant. JA8 rated.

Shown in brushed nickel / grey weathered wood
