Springer Ceiling Fan By Progress Lighting

T20

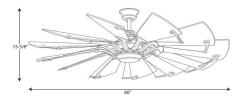

Description

The Springer Ceiling Fan has a rustic flair with an impressive 12 fan blades and 60 inch span making it a statement-making fixture perfect for any room with a Farmhouse, industrial or transitional style. A powerful and quiet DC motor and with a 22 degree blade pitch this fan is the perfect fan to use to cool any room. Includes a full function six-speed remote, 8 inch downrod, and is complete with a dual mount canopy that accommodates flat or sloped ceilings up to 22 degrees. Available with an Antique Nickel motor with White Barnwood blades or an Architectural Bronze motor with Distress Walnut blades. UL listed, title 20 compliant. NOTE: Light kits can not be used with this fan.
