Green Creative

**DESCRIPTION**

The Titanium Series 8 Inch Commercial Downlight Retrofit Kit includes a 24 watt LED module in three color temperature options with a 90 degree beam angle. Equivalent light output as a 2X26 watt compact fluorescent source. This downlight is suitable for use in most standard 8 inch existing architectural and commercial housings. Includes a quick connector and pre-wired conduit for direct connection to existing housing. Accessories include a carabiner safety clip that can be used during installation for easy wiring. Retaining clips are also included to secure the fixture if recessed frame does not already have pre-installed clips. 120-277V circuit with 0-10V dimming. UL listed. Suitable for damp locations. 5 year warranty. See attached manufacturer reference for dimmer compatibility
