DESCRIPTION

The Titanium Series 9.5 Inch Commercial Downlight Retrofit Kit includes a 30 watt LED module in three color temperature options with a 90 degree beam angle. Equivalent light output as a 2X42 watt compact fluorescent source. This downlight is suitable for use in most standard 9.5 inch existing architectural and commercial housings. Includes a quick connector and pre-wired conduit for direct connection to existing housing. Accessories include a carabiner safety clip that can be used during installation for easy wiring. Features three spring-action clips which push up easily and fit securely. 120-277V circuit with 0-10V dimming. UL listed. Suitable for damp locations. 5 year warranty. See attached manufacturer reference for dimmer compatibility
