## Tempio Table Lamp

By Artemide

### Description

The Tempio Table Lamp, designed by Atelier Oi, draws its inspiration from Japanese temples, from their calm philosophy, colors, and portico forms. The clean lines and simple structure resemble an ancient Japanese temple and give the same sense of order and calm. Two beams sit atop a flat bar to support the diffuser, which rests on top like a slightly curved roof. Provides excellent task light. Available in Bronze. Dimmer included on base.

Shown in bronze
