Tempio Table Lamp

By Artemide

Description

The Tempio Table Lamp, a contemplative design by Atelier Oi for Artemide, offers more than just illumination; it's a piece imbued with philosophical calm. Drawing profound inspiration from the tranquil philosophy, serene colors, and distinct portico forms of ancient Japanese temples, this lamp embodies a sense of order and quiet reverence, bringing a meditative quality to your space. Its clean lines and simple, yet profound, structure distinctly resemble an ancient Japanese temple, evoking the same profound sense of calm and visual balance. Two elegantly slim beams sit atop a flat, horizontal bar, providing graceful support for the subtly curved diffuser, which crowns the structure like a gentle, protective roof. This thoughtful design provides exceptional task light, making it perfect for focused work or reading, while its unique aesthetic creates a peaceful ambiance. Available in a sophisticated Bronze finish, the Tempio includes a convenient dimmer on its base, allowing you to effortlessly adjust the light to suit your mood or activity.

Specifications
