

**BRAND**

Soraa

**DESCRIPTION**

The Healthy 12 Volt 7.5 Watt MR16 GU5.3 Base LED is designed with ZeroBlue technology so that your body recognizes the time for sleep as nature intended. The Healthy lamp has no blue content in the spectrum so there is no overexposure to blue light in the evening which can negatively impair sleep cycles and longer-term health. See attached manufacturer reference for dimmer compatibility. UL listed. Suitable for damp locations and for use in full enclosed fixtures. Not rated for use in wet locations. 3 year or 25,000 hour (whichever comes first) warranty. Sold as a 2-pack.
