

BRAND Lightology Collection

DESCRIPTION

The Halo Lamp offers a sleek, intriguing design that features a wooden ring frame made of Walnut or Ash wood suspended by a leather strap from a matching wooden wall hook. Option of 0-10V wall switch or integrated dimmer. The integrated dimmer is a unique dimming system that does not use any visible controls. To turn on and brighten the light, the user pulls down on the right side of the leather strap. To turn off and dim the light, you simply pull the strap to the left side. UL listed.
