## Owen Adjustable Wall Sconce By Savoy House

## Description

The Owen Adjustable Wall Sconce brings a sleek design and directional illumination to varying spaces in your home. The curved arm swings from side to side to get light where you need it. Available with a White fabric shade and English Bronze, Matte Black, Satin Nickel, Polished Nickel, or Warm Brass finish. Decorative pull chain for easy on/off operation. Can be hard-wired or used with the included cord and plug.

Shown in matte black / white
