DESCRIPTION

The Nur Reversed Dual Globe Chandelier offers a modern silhouette combined with the craftsmanship of Moroccan design, featuring a pair of handcrafted metal dome shades connected by a Black linear rod, with an intricate design on the base of the shades derived from 12th century Almohad tile work that allows for brilliant shadows to be cast when illuminated. Available in two sizes finished in Copper, Silver, Brass, or Gunmetal. Canopy: 5 inch diameter. Sloped ceiling adaptable. UL and CUL listed.
