Chute Multi Light Chandelier By Kuzco Lighting

Description

The Chute Multi Light Chandelier is an interesting combination of art and light. Features Opal silicon diffusers that light the entire length of the extruded slim round aluminum cylinders. Choose from finely textured powder coat finish of Black or White. Individual height adjustment of the elements allows for user customization and an abundance of potential compositions. Includes 120 inch adjustable cables. Canopy: 50 inch diameter x 1.75 inch height. Note: Requires a special rated junction box for fixtures weighing over 50 pounds.
