

**BRAND**

Raise Lighting

**DESCRIPTION**

Tru-Aim IR GU5.3 Base 12 Volt MR16 halogen lamps have all of the advantage of standard MR16 lamps, but with significant reduction in energy consumption. Features a hard dichroic reflector offering consistent color throughout life and cover lens for use in unshielded fixtures. Available in a 50 watt with 25 degree beam angle. 5,000 hour average lamp life.
