Nightbloom Wall Sconce

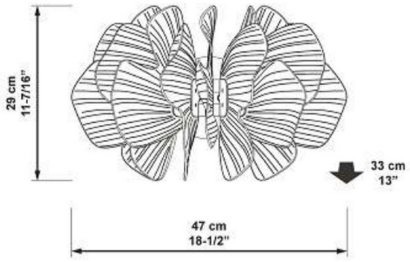

By Lladro

Description

The Nighbloom Wall Sconce, designed by Marcel Wanders, was inspired by the way petals of a flower dance lightly in the breeze. Sculpted by hand, each lamp is a unique creation. The porcelain petals are arranged in a way that allows the light to accentuate the details on the surface and enhance any interior with the perfect balance between light and shadow. Available in Matte White or Matte White with Gold details. Handcrafted in Spain.
