AP Slim Fit Exhaust Fan with Light By Aero Pure

Description

The energy-efficient AP Slim Fit Exhaust Fan with Light combines an ultra-quiet bath fan with an LED light, conveniently providing both ventilation and illumination for your space. Its low-profile grille in a range of contemporary easy-care finishes offers design versatility for blending with any interior style. The light is available in non-dimmable 3000K or dimmable 4000K. The fan and light can be wired separately. This fixture is IC-rated, suitable for new construction or remodel applications, and can be installed in a wall or ceiling. It fits in 2 x 6 inch construction, perfect for smaller joist spaces. It has rust-proof steel motor housing, a built-in backdraft damper and thermal shutoff, and includes articulating expandable anti-vibration brackets and a detachable connector for 4 or 6 inch ducts. ETL listed for use in a tub or shower enclosure when GFCI-protected.
