DESCRIPTION

The Nolan Wall Sconce has a decorative contemporary design that will provide beauty and light to any room or hallway. An ideal fixture for general lighting of indoor residential, commercial, and hospitality applications. The front plate is 20-gauge steel with decorative metal trim and plated to provide a long lasting finish in Oil Rubbed Bronze or Satin Nickel. The shade has Clear outer acrylic and a White inner diffuser, that is open on top and has a White acrylic diffuser on the bottom. Universal 120-277V driver. Compatible with residential (TRIAC/ELV) and commercial (0-10V) dimmers. TRIAC and ELV dimming only at 120V. Tunable White technology allows choice of 3000K, 3500K, or 4000K color temperature. ETL listed for indoor damp locations. ADA compliant.
