Horizontal Mounting Plate Accessory

By LumaNumbers

Description

Optional horizontal mounting plate for easier installation and a cleaner look by concealing wiring of backlit numbers/letters or low voltage power source. Offered in a variety of finishes (all finishes can be painted to desired color). The high-quality finish is resistant to rust, corrosion, and UV damage, ensuring they maintain their appearance and functionality in any weather condition. Available in two heights for use with 5 or 7 inch number/letter combinations. Includes matching finish screw caps. For use with 2, 3, 4 or 5 digit number/letter combinations.

Shown in off white
