## Gulliver Ceiling Fan with Light

By Progress Lighting

### Description

The Gulliver Ceiling Fan with Light freshens and revitalizes your farmhouse or seaside home with three wood bands that wrap together creating a statement making open cage design that encloses the blades. Effortlessly control the fan speed capabilities with the included remote that comes with batteries making it ready to go. A manual switch on the fan lets you control the direction of the blades and a dual mount canopy allows you to mount the fan on flat or sloped ceilings. Available with a Graphite or Galvanized finish. UL listed, damp locations. Title 20 compliant.

Shown in galvanized steel / galvanized
