Gulliver Ceiling Fan with Light By Progress Lighting

Description

The Gulliver Ceiling Fan with Light freshens and revitalizes your farmhouse or seaside home with three wood bands that wrap together creating a statement making open cage design that encloses the blades. Effortlessly control the fan speed capabilities with the included remote that comes with batteries making it ready to go. A manual switch on the fan lets you control the direction of the blades and a dual mount canopy allows you to mount the fan on flat or sloped ceilings. Available with a Graphite or Galvanized finish. UL listed, damp locations. Title 20 compliant.
