## Tanit Portable Lamp By Bover

## Description

The Tanit offers a light, versatile design that will suit a number of applications thanks to its portable nature. It features a lantern inspired body comprised of a Beige cotton hand woven screen with an inner White diffuser, complete with an accent handle to easily carry it from place to place. The Tanit allows for three different light settings that can be adjusted from the top of the lamp. A micro USB cable is included to allow for the lamp to fully recharge within 5 hours. Maximum battery life is 20 hours at 25 percent intensity, 10 hours at 50 percent, or 5 hours at 100 percent. Available with a Beige leather handle, or a Black or Terracotta silicone handle. CE and ETL listed for dry locations.
